

Why use

Your newspaper logo here

in your classroom?

Our Newspaper In Education program brings a fresh, hands-on way to engage young minds and stimulate learning. The newspaper helps bring your classroom lessons to life by providing practical applications to almost every area of study.

By participating in our Newspaper In Education program, you can energize your students, enhance critical thinking, increase vocabulary, improve skills in english, social studies, math, geography, science and more, while building awareness of local, regional, national and world events.

Be sure to order the newspaper for your students this year!
